MCMURDO WEATHER FORECAST INFORMATION

**THIS INFORMATION IS FOR OFFICIAL USE ONLY
AND IS LIMITED TO ACTIVITIES SPONSORED OR RECOGNIZED
BY THE UNITED STATES ANTARCTIC PROGRAM**

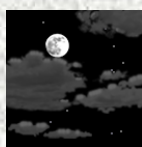

REGIONAL WEATHER SUMMARY

Enjoy a fair weather day today - keep an eye to the north and you might even see a glimmer of pre-dawn twilight in the skies above the ridgeline after noon. Winds and clouds will increase overnight through tomorrow, the first sign of a low dropping in from our north for our next snow delivery tomorrow night.
