REGIONAL WEATHER SUMMARY

Buckle up, Mother Nature's pulling out all the stops! A freak tropical storm sweeps in from an alternate universe, spiking temps to a balmy 75°F by sunrise. Palm trees spontaneously sprout and by midday, skies clear to reveal a double rainbow. Come evening, temps plummet to a more believable -20°F. So, bundle up, unbundle, then bundle again! Stay safe, and don't trust anything you see out there today!
