MCMURDO WEATHER FORECAST INFORMATION

**THIS INFORMATION IS FOR OFFICIAL USE ONLY
AND IS LIMITED TO ACTIVITIES SPONSORED OR RECOGNIZED
BY THE UNITED STATES ANTARCTIC PROGRAM**

REGIONAL WEATHER SUMMARY

Looks like the weather is having a case of the Monday blues. Dreary weather is expected today and into tomorrow as clouds roll in from down the sound. If you are wearing a ball cap, thankfully you should not need to pin it to your head since winds are forecasted to be fairly tame.

Today
13 January

Tonight

Tomorrow
14 January
