**PALMER STATION WEATHER FORECAST INFORMATION**

**THIS INFORMATION IS FOR OFFICIAL USE ONLY  
 AND IS LIMITED TO ACTIVITIES SPONSORED OR RECOGNIZED  
 BY THE UNITED STATES ANTARCTIC PROGRAM**

**REGIONAL WEATHER SUMMARY**

Happy New Year one and all!...A frontal boundary associated with low pressure spanning Drake's Passage will bring higher wind today with possible periods of light precipitation through midnight. Expect a beautiful tomorrow as low pressure to the north keeps that refreshing east-northeasterly flow into the area...

**Today**  
1 January

**Tonight**

**Tomorrow**  
2 January
