Friday, 21 January 2022 PALMER STATION WEATHER FORECAST INFORMATION

THIS INFORMATION IS FOR OFFICIAL USE ONLY AND IS LIMITED TO ACTIVITIES SPONSORED OR RECOGNIZED BY THE UNITED STATES ANTARCTIC PROGRAM

REGIONAL WEATHER SUMMARY

Should see improved visibility and skies this afternoon and early evening under a transient ridge of high pressure. A fresh batch of warm air off the South Pacific will wheel in overnight through tomorrow with a wave of low pressure bringing higher wind and reduced visibility in rain...
