BY THE UNITED STATES ANTARCTIC PROGRAM**

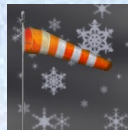

REGIONAL WEATHER SUMMARY

Fair weather and occasional blue skies today as high pressure holds sway – but not so much tonight. A low blasts in from the Southern Ocean, heading for a peninsula landfall between Anvers and Adelaide Islands. Winds will increase through the night tonight, with gusts to 70 knots expected by early tomorrow morning. It's a fast moving system, though - things should quiet down significantly by early afternoon.

Today
28 July

Tonight

Tomorrow
29 July
