**PALMER STATION WEATHER FORECAST INFORMATION**

**THIS INFORMATION IS FOR OFFICIAL USE ONLY  
AND IS LIMITED TO ACTIVITIES SPONSORED OR RECOGNIZED  
BY THE UNITED STATES ANTARCTIC PROGRAM**

**REGIONAL WEATHER SUMMARY**

Clouds and snow continue, and temperatures continue to warm. It's all due to a series of troughs spinning around a low in the Bellingshausen, establishing the weather pattern for the weekend. But that pattern will be intermittently fair, too, with seasonably warm and not too windy conditions also in store.
