PALMER STATION WEATHER FORECAST INFORMATION

**THIS INFORMATION IS FOR OFFICIAL USE ONLY
AND IS LIMITED TO ACTIVITIES SPONSORED OR RECOGNIZED
BY THE UNITED STATES ANTARCTIC PROGRAM**

REGIONAL WEATHER SUMMARY

Rising pressure and falling temperatures are on tap to kick off the Fourth of July weekend. A high pressure ridge is forming with an axis right along the peninsula, helping steer an approaching low to the west in the Southern Ocean well to the north towards the coast of South America through this period. Fair weather At Palmer Station results; a slight drop in temperature the cost.
