PALMER STATION WEATHER FORECAST INFORMATION

**THIS INFORMATION IS FOR OFFICIAL USE ONLY
AND IS LIMITED TO ACTIVITIES SPONSORED OR RECOGNIZED
BY THE UNITED STATES ANTARCTIC PROGRAM**

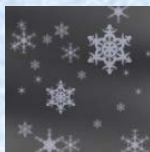

REGIONAL WEATHER SUMMARY

A weak cold front will move slowly east across Palmer Station today. Brisk winds early this morning will become light and variable by afternoon, as the snow ends. A weak high pressure ridge will build behind the front. However, fair weather will be briefly interrupted late tonight and early tomorrow as a weak trough brings a band of snow.
