PALMER STATION WEATHER FORECAST INFORMATION

**THIS INFORMATION IS FOR OFFICIAL USE ONLY
AND IS LIMITED TO ACTIVITIES SPONSORED OR RECOGNIZED
BY THE UNITED STATES ANTARCTIC PROGRAM**

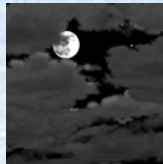

REGIONAL WEATHER SUMMARY

Fairly docile weather is in store through tomorrow, with a stark lack of storms and precipitation – even the clouds will break up a bit tonight and into tomorrow. Couple that with light winds and the associated lack of a significant wind chill, and you'd almost forget that you're in Antarctica!

Today
5 February

Tonight

Tomorrow
6 February
