## Sunday, 9 June 2024 PALMER STATION WEATHER FORECAST INFORMATION

THIS INFORMATION IS FOR OFFICIAL USE ONLY
AND IS LIMITED TO ACTIVITIES SPONSORED OR RECOGNIZED
BY THE UNITED STATES ANTARCTIC PROGRAM

## REGIONAL WEATHER SUMMARY

The high pressure system finally will begin to move north tomorrow as a strong low pressure system approaches through the Bellingshausen Sea. In the meantime, the high will maintain the current wave pattern throughout the forecast period, drawing more lower level clouds and fog towards station.
